# Involvement is the Key

Are you looking for an opportunity to continue and expand the fraternal fellowship that you enjoy in Lodge? Do you want to increase your circle of brothers or seek additional information about Masonry? Do you want additional opportunities to become involved in degree work as an actor, stagehand, makeup artist, audio technician, singer, or director/producer?

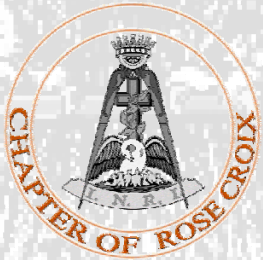

Fortunately, opportunities for fulfilling these needs exist locally... right here in the Valley of New Castle of the Ancient Accepted Scottish Rite 32nd Degree Masons.

From the warm greeting when you approach any Valley of New Castle member for initiation to the hearty congratulations from your brethren for a job well done in one of a myriad of activities open to your involvement, you will experience a rich gift of opportunity when you join the Scottish Rite. Rarely will you experience greater encouragement or more sincere, meaningful coaching as you embrace ways to be involved.

**Who are Scottish Rite Masons?** They are men like you. They are fathers and husbands, friends and colleagues, professionals and tradesmen. They are men of all faiths, men from all walks of life. They are men of good standing in their local lodges who believe in the ideals of Freemasonry and enjoy its camaraderie. The Valley welcomes and needs members from all career backgrounds. Numerous skills are needed to plan, prepare, and produce the Valley's various activities and programs.

Participation, by the way, doesn't necessarily mean an activity or function every week or even every month. Many of the opportunities we have require involvement on only several occasions during the year.

**How much time is involved?** In consideration of our Brothers' busy lives, the Valley of New Castle offers a different selection of degree presentations that new members view before reaching the 32nd Degree. This can usually be done in one or two weekends. They can view the remainder of the degrees during the course of their Masonic life at additional Valley reunions.

The Valley of New Castle serves a ten county region of Western Central Pennsylvania, stretching from the Ohio line to Jefferson and Indiana Counties.
